

A CURE FOR CHOLERA.—Rev. Dr. Hamlin, of Constantinople, saved hundreds of lives by the following simple preparation, during the terrible raging of cholera in that city a few years since. In no case did the remedy fail where the disease could be reached in season. It is no less effective in cholera morbus and in ordinary diarrhoea. A remedy so easily procured and so vitally efficacious should be always on hand. An ordinary phial of it can be had for twenty-five cents, and no family should be without it over night. The writer of this received the recipe a few nights since, and having been evidently attacked with cholera morbus the past week, can attest to its almost magical influence in affording relief from excruciating pain.

Take—One part laudanum; One part camphorated spirit; Two parts tincture of ginger; Two parts capsicum.

Dose—One teaspoonful in a wine glass of water. If the case is obstinate, repeat the dose in three or four hours.

A STAGE TRAGEDY IN CHICAGO.—One of the Chicago theatres, known as the Museum, was on last Tuesday evening the scene of a tragedy more genuine than those usually represented on the stage. Geo. B. Beach, one of the actors, twenty-seven years of age, was shot in the green-room by his wife, a young and beautiful woman, aged only eighteen. They had been married a little over a year, but separated soon after the wedding, on account of disagreements, and had lived very little together during all the time of their married life. The husband filed a bill for a divorce, and his wife insisted on his withdrawing it. This she could not induce him to do, and therefore determined to take his life. She did not fully succeed in her design, however, as the wound inflicted though a severe one, was not considered necessarily mortal. She was arrested and committed.
